RESEARCH AND PROFESSIONAL EXPERIENCE

Intern, International Monetary Fund, Washington, DC

June 2017 to September 2017

- Analyzed capital flow data to identify the determining factors and impacts of financial integration for the Association of Southeast Asian Nations (ASEAN) using Stata and Excel
- Contributed to the successful publication of a book chapter and a Selected Issues paper under time limit
- Presented working papers twice at APD departmental seminars in an intuitive and interactive way to effectively communicate ideas and solicit feedbacks

Assistant Manager, Audit Department, KPMG, Shenyang, China

September 2008 to November 2011

1. Auditor in charge for Changchun Railway Vehicle Equipment Company, Ltd.
 - Managed deadlines and delivered all files for this business combination audit in two months by establishing detailed plans in advance and managing effectively on-site
2. Participant in the engagement review of NF Energy Saving Corporation (NASDAQ: NFEC)
 - Facilitated the accounting standard compliance review by preparing prompt and detailed research memo regarding special transaction treatments under US GAAP
3. Senior team member in the statutory audit of China Mobile Liaoning Company, Ltd. (NYSE: CHL)
 - Conducted Sarbanes-Oxley audit on important internal control cycles such as the revenue and charging cycle by carrying out walkthroughs, interviews, and working closely with the IT team
4. Member of Office Professional Practice Team
 - Promoted learning and technical excellence by interpreting newly-released accounting standards and circulating technical memos within the office
